

Who Is Our Refuge

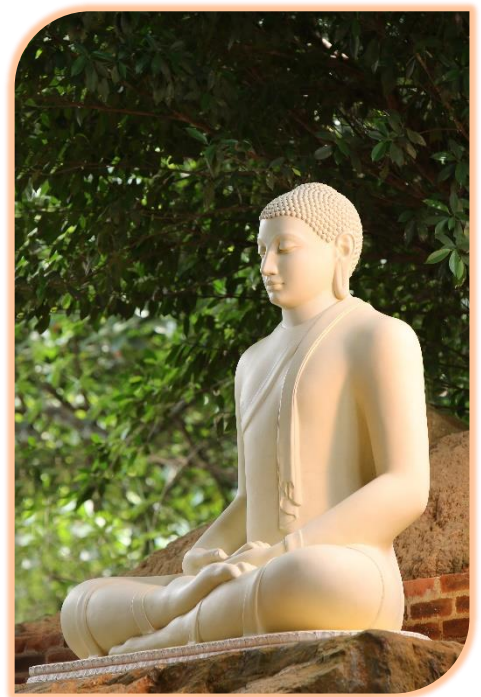

Lyrist: Yinyue

Covered by: Jing DONG

Translated by: Yuping HE

We have the same mighty vow
Be active and brave, regardless the bads
However big or strong, never become negative
Face everything with strength, firm in Resolution
The Kind Mentor is always available, though
Afflictions, false thinking will destroy the relation
The kind mentor knows everybody well
Even to every confusion, doubt, anxiety and weakness
Whatever you complain or defy him
He won' t give up rescuing and taking on
Subdue Afflictions and retain loyalty
Trust in the Kind Mentor, preserving and holding us
Vow to subdue Afflictions, leave the Maras behind
Our family, BPI (Buddhas Practice Incorporated)
The Kind Mentor, compassionately leading
Vow to subdue the minds of False Thinking, to reform

Reform ourselves, exert to practice
This is the Kind Mentor' s anticipation
Cultivate Kindness, Compassion, Joy and Giving
Enjoy the happy time of getting together

The whole family walk on Buddha Path all

The one of the family, won' t be lonely

We feel warm, warm forever

The Kind Mentor, the very person of refuge, refuge
