As stated in the Avatamsaka Sutra, Volume 40:

The Tathagatas, or Buddhas, are driven by Great Compassion.

They cultivate Great Compassion in response to the needs of sentient beings.

Through Great Compassion, they generate the Bodhi Mind,

and with the Bodhi Mind, they attain complete enlightenment.

After years of studying Buddhist teachings, we have a solid theoretical understanding. Lately, we've sought the most effective way to apply these teachings to people's lives and have found that most suffer from various physical and mental illnesses.

With the spirit of great compassion, we feel called to this mission of relieving suffering.

By emulating the 32 manifestations of Guan Yin Bodhisattva, we can use different methods to help people achieve freedom from suffering and find happiness. Our goals are:

To remove the causes of suffering from the body and mind of all beings.

To restore their inherent peace and happiness.

This is why VITACHOICE LTD was founded on September 15, 2025.

Why "Vital Choice"?

From a young age, many people develop ingrained biases that lead to automatic, conditioned choices, especially in their diet. These can be seen as mental illnesses that gradually harm the body, eventually leading to physical disease.

This physical and mental suffering is the precise focus of our practice. The public's choices, driven by biases and habits, have resulted in automatic and harmful outcomes.

We will use methods that people trust—those based on the principle that "science is right"—to apply the wisdom of Buddhist teachings. This approach will help people
